

One-to-one lessons, Saturday school, Holiday French camp and Holiday French e-camp agreement.

Et Patati Patata believes that good behaviour and good discipline are the result of consideration for others and is encapsulated in our school rule: "Learn French in confidence and Think Positive".

The values of the French immersion programme of our one-to-one lessons, Saturday school and Holiday French camps are to further support pupils' development and behaviour through the following qualities: • Positive thinking • Courtesy • Honesty • Respect • Confidence • Sharing the Code of Conduct is a shared expression of expectations for pupils, staff and parents.

Parents' agreement Et Patati Patata (on and offline)

I/we will:

- make sure that my child arrives on time
- ensure that Et Patati Patata is informed of any absence my child might have
- support our French school's policies and guidelines for behaviour and safeguarding
- make sure my child will not leave in between hours as it affects children's safeguarding for all of us

-send the form and agreement of my child before starting one of our services (one-to one lesson, Saturday school or Holiday French camp)

-pay the totality of the requested amount before starting one of our services (one-to one lesson, Saturday school or Holiday French camp). There is no trial, no refund, no replacement.

-respect the safeguarding protocol and e-safety policy (click [here](#) to read them) and do not pick up my child during the programme, it disturbs the activities and also for safeguarding reason. If emergency, inform Ms Cassin Eugenie 24h in advance for the protocol pick up. So, she will be able to inform the person in charge of the different activities and your child will be safe.

-Accept terms and conditions about the holiday camps: These are one-week programmes, you cannot register for the camps for less than a week. Et Patati Patata and the teachers reserve the right to adapt the planning if they feel it is necessary (depending on the pupils' progression). As a result, our planning are subject to change and are adapted to each profile.

- For lessons taking place at school, respect rules of Thomas's academy or the school we are :

1. Do not park your car inside the school.

2. Please come on time to drop off and pick up your children. You have to accompany them to the classroom and stay with them till 3 year olds.

3. Do not enter any other classrooms of Thomas's Academy nor the Upbeat music classrooms

4. As soon as you leave your child into the French class, please make sure you leave the school. For Health Safety and Security reasons you are not allowed to stay and hang out in the hall of the second floor nor the relaxation room nor inside the school in general - unless Caroline asks you to.

5. You are not allowed to eat nor drink inside the school, please eat and drink outside Thomas's Academy

6. Do not touch any supplies you might find inside the Thomas's Academy school

As you may know, it is extremely difficult to obtain a partnership with a public school and we are very pleased to be able to have our Saturday French School at Thomas's Academy of which we share the same values. This is why respecting those guidelines is very important to us - so we can continue this partnership and offer your children nice facilities for their French lessons.
